INFORMATION DISCLOSURE STATEMENT

Dear Sir:

The enclosed Information Disclosure Statement for the above-identified patent application is filed after receipt of the International Search Report mailed June 12, 2002, a copy of which is enclosed. The references listed on the enclosed Form PTO-1449 may be deemed to be pertinent to the above-identified application and are made of record to assist the Patent and Trademark Office in its examination of this application. Copies of the cited references are also enclosed herewith. The Examiner is respectfully requested to fully consider the references and to independently ascertain their teaching.

I hereby certify that each item of information contained in this Information Disclosure Statement was cited in a communication from the International Searching Authority in the corresponding International Application not more than three months prior to the filing of this Information Disclosure Statement. Hence, no fee is due with this Information Disclosure Statement.

Respectfully submitted,
Clairol Incorporated
